

# Season Suite Sports Academy

## Module 1 Cheat Sheet: Accessing Your Season Suite Sports Templates

### Quick Checklist

1. Locate your order email with the subject '**Your Season Suite Order is Now Complete.**'
2. If you don't see it, check your Spam, Junk, or Promotions folders.
3. Make sure you're checking the same email address you used at checkout.
4. Download and save your PDF in an easy-to-find location.
5. Open the PDF and click any Canva template link.
6. Canva will create your own editable copy of the template.
7. Rename your design so it's easy to find later.
8. Click **Grid View** to see all templates included in your bundle.
9. Browse the bundle and choose the design you'd like to customize first.

### Pro Tip

Grid View is the fastest way to browse your entire bundle. It's an easy way to see every design at a glance and jump directly to the template you need.

### Up Next

Module 2: Organizing Your Templates with Canva Projects

You'll learn how to create a simple folder system that keeps your game day, senior, sponsor, and season graphics organized and easy to find.

### Season Suite Sports Tip

Save this PDF and revisit it whenever you purchase a new bundle. The same process works across all Season Suite Sports Canva templates.
